Gretna, LA 70056

Mr. Robert Wolfe,

Robert, as this project is now closing, I wish to thank you for the quality of building and the manner in which it was put up. Although this is the largest venture you and I have undertaken, I feel like the entire project was handled in the usual professional I have come to expect over the years.

I would gladly recommend you to anyone thinking to expand.

Regards,

Robert H. Mistretta
Vice President
