

INSURANCE AND BONDING FOR THE CONSTRUCTION INDUSTRY

ELLSWORTH CORPORATION

August 31, 2009

To Whom It May Concern:

Robert Wolf Construction, Inc. constructed a 5,029 square foot metal warehouse / storage facility for Ellsworth Marine at 3757 Spencer Street in Harvey, LA. They completed the job successfully and on time. We were very impressed with their work and would highly recommend them to anyone seeking a contractor for a similar project.

Sincerely,

Alexander J. Ellsworth
President / CEO Ellsworth Corporation
